For those of you who attended the meeting with Ray Kelly on March 24 in Mayor Strickland's office, you will recall that you asked me to try to set up a meeting with the mayor to provide an opportunity for input from executive committee members regarding Mr. Kelly's recommendations.

That meeting has been set for MONDAY, APRIL 10 at 1:00 p.m. in the mayor's office on the 7th floor of City Hall. The mayor plans to invite the police director to the meeting but has not yet confirmed his availability.

You should have received previously a notice from Sam Walker regarding an executive committee meeting at 1:30 p.m. The current plan is for the executive committee to have its meeting at City Hall right after the meeting with the mayor.

By separate email, I am sending you a list of 60 recommendations made by Ray Kelly/K2. At our meeting, we focused on the gang-related recommendations for obvious reasons. What I am sending you is those plus everything else. Please review this before the meeting with the mayor so that you can express your thoughts within the necessary context. K2 will issue a final report later this spring, and the recommendations may change some. It is possible that the final report could be publicly released - something we should discuss. In the meantime, the recommendations I am sending you should be considered part of a deliberative process and should not be disseminated to others.

I am asking Sam to send out one of her formal meeting notices but wanted to go ahead and get this information and background explanation to you so that you can go ahead and mark your calendars for Monday, April 10 in the mayor's office.

Bill Gibbons
